Your Party Day is Here!

Hi _____, Thank you for sharing your celebration with The Gymnastic Academy of Boston. We look forward to seeing you and your guests on ____/____/____, from: ____ to ____.

Here are some Helpful Hints to make your party day an Extra Special!

Arrival

Please plan to arrive on time – but no more than 10 minutes before the start of your party (a party may still be going on in the gym) and not late (you don't want to miss a moment of fun!) Meet your guests in the waiting room. Guests should leave coats, shoes and socks in the cubbies/buckets provided by the gym. Guests are encouraged to wear comfortable clothing/leotards in the gym.

The Gym Fun Time

The fun begins immediately. Children join the instructors in the gym for popular, age-appropriate games and activities. Party-goers will enjoy organized relay races, obstacle courses, parachute activities, trampoline, the foam pit and other gym favorites with age-appropriate music. We supervise all activities, maximizing the fun for everyone. While the children are in the gym with our instructors, you will have time to set up the party room with your own personal touches

The Party Yummy Time

Once your group leaves the gym, it's time for fun and refreshments in a private party room. Due to the limited time, please plan to open the gifts at home. The room has space for 20+ children. Adult supervision is required at all times while the guests are in the party room. After you have enjoyed refreshments, guests should be asked to get ready for pick-up. **Remember – the room is yours for only the time you reserved it for** – another group is likely waiting for access at the end of your time. The last party of the day is also required to leave promptly. If you run over your reserved time for any reason additional charges may apply.

Clean Up

G.A.B. Staff will **assist** you with any necessary clean up – it is part of your party!
